

# Bilingual Mental Health Clinician

## Job description

EMBRACE Mental Health is not your typical nonprofit/community-based organization; our team of clinicians, supervisors and management stand out as highly skilled and supportive, all experienced in clinical work and attuned to what you need to thrive as a community-based mental health therapist. Our internal Community + Wellness program provides many opportunities to have fun and learn with colleagues that care deeply for one another. Our "productivity" (direct service hours) expectations are reasonable and sustainable for therapists.

Currently, EMBRACE Mental Health is looking for Associate (AMFT, APCC, ASW) **bilingual clinicians** (who speak Spanish and English) to join our team. New clinicians receive model-specific training with an external expert in the respective evidenced-based practice (EBP). All clinicians will continue to work with model-certified supervisors and experts on an ongoing basis to gain mastery in the EBP and receive case support to address client needs effectively. Both programs include intensive family- and community-based interventions that focus on addressing all environmental systems that impact at-risk youth, their homes and families, schools and teachers, neighborhoods, and peers. If this role sounds interesting to you, you have a passion for working with adolescents and families, and you would thrive in a supportive team environment where you learn and grow every day, we'd like to review your application.

## Responsibilities include:

- Provide therapeutic services to youth and families in their community or home setting, using evidence-based principles/interventions.
- Conduct clinical assessments and gather relevant data to measure progress.
- Maintain timely and accurate clinical documentation.
- Maintain positive professional relationships with referral sources, colleagues, and community resources.

## Qualifications:

- Associate or Licensed CSW/MFT/PCC (Preferred)
- Master's degree in psychology/social work/counseling (Required)
- Spanish-speaking (Required)

- Driver's License (Required)
- Willingness to travel within Contra Costa County 50% (Required)

**Schedule:**

- Full-time, Monday through Friday, in person.
- Flexible schedule, with ability to work early evenings and limited on-call duties

**Benefits etc.**

- Comprehensive employee benefits package, including 90% employer-paid medical premium, fully covered dental, vision, and life insurance benefits.
- 2 weeks paid vacation (increases to 3 weeks after one year and 4 weeks after 3 years)
- 8 sick days and 11 paid holidays per year.
- 403(b) Retirement Plan with Vanguard.
- Excellent clinical training, individual and group supervision.
- Student Loan Forgiveness: We are a recognized 501(c)(3) nonprofit approved site. By working with EMBRACE Mental Health, staff are eligible for Public Service Loan Forgiveness.

*We are an equal opportunity employer.*

Job Type: Full-time

Pay: \$72,000.00 - \$95,000.00 per year
